I realized during the Land update that you looked puzzled at Jeff's mention of my email. I inadvertently forgot to add you to my email!

I am sorry. It won't happen again

Alexis will be in Reno/Carson City on January 24-25th. On January 24th she will be meeting with

congressional staff from Senator Dean Heller, Senator Catherine Cortez Masto, and Rep. Mark Amodei in Reno followed by a meeting in Carson City, NV with Dave Emme and Brad Crowell. On January 25th she will be at RTOC (Land has lead for RTOC prep).

During her meeting with NDEP, Alexis would like to know if there are any items she should raise with NDEP leadership. She is also interested in knowing of any significant issues in NV that may come up during her meeting with congressional staff or NDEP.

Please send me any information by no later than January 21.

She has specifically requested an update on the following

- Anaconda (Superfund)
- Small Public Drinking Water System Action Plan in NV.

Call me if you have any questions.
